

## **MartialArts4Fun Declaration**

I understand that there is an inherent risk of physical injury in the practice and learning of a martial arts based sport. Whilst the MartialArts4Fun Schools and Instructors will take all reasonable steps to minimise the likelihood of an accident, the risk of physical injury cannot be eliminated. There is particular risk in the context of assessment exercises, which by their nature are likely to result in an individual approaching and potentially exceeding the limits of their skills and physical ability. The acceptance of an individual's application to undertake an assessment exercise does not constitute and should not be considered as constituting any form of confirmation or assurance by MartialArts4Fun Schools or Instructors to the effect that an individual has the necessary skill or physical ability to safely complete such assessment exercise, it being the individual's sole responsibility to judge such matters for themselves. Should an individual have any doubt whatsoever as to their ability to safely complete any exercise in the context of an assessment exercise or otherwise it is the responsibility of the individual to withdraw from the same. The MartialArts4Fun schools and Instructors accept no liability for injuries sustained in the course of practicing and learning martial arts save for injuries attributed to negligence of the MartialArts4Fun Schools and Instructors. I accept the above recited disclaimer of liability and also agree to abide by the rules of the MartialArts4Fun as amended from time to time should I be accepted as a member.
